

How to use CETA Application

Registration of a user for the App

Once the app has opened, the very first activity contains the user to login with the user credentials.

1. To Register as a user, the student need to click on “Register here”.
2. Some fields are displayed to user to fill details for registration.
3. NOTE: The Roll number is case-sensitive and accepts only the vardhaman student’s roll numbers
4. Passwords should be a minimum size of length 6
5. Upon entering details, click on register.
If the user already exists , “user already exists” message will be displayed . else an account will be created .

Login and Next steps

1. The user needs to enter roll number and appropriate password to login into the app.
2. Once successful login into app, there will be information about app ,
3. On top right corner there will be 3 line symbols where you can navigate
4. Upon clicking that user can see
 - i. Events
 - ii. Coordinators
 - iii. Gallery
 - iv. Feedback
 - v. Help
 - vi. Exit
5. On clicking events the user can see all the events and for every event the user can
 - i. Register for it
 - ii. View
 - iii. See winners
6. The user can logout anytime using a menu with 3 dots at top right corner.
